Product Information

00 50 10 T BK

Lanyard

- For reliable tool protection: holding capacity tested in numerous drop tests for tools up to 6 kg, even battery-operated tools
- Large working radius: long lanyard for convenient working

- Reduces the risk of tool loss, injury to people or animals or damage to objects
- To meet regulations while working at heights, for example industrial climbing, arborists, rescue services, at sea, etc.
- Tether can be attached directly to the cord side or the carabiner to climbing equipment
- The roughly 90 cm long gathered fabric strap tether stretches to a length of about 1.5 m when weight is applied
- With strap made of a flat belt sewn to one end and a cord and cord stopper sewn into the other end, each sewn four times
- The additional loop on the lanyard allows for direct connection of the tool to the climbing equipment with a carabiner (sold separately)
- Cord stopper made of solid aluminium, also available as a spare part
- For KNIPEX pliers with tether attachment point or TetheredTool Clip. only usable with 1.5 kg Adapter Strap 00 50 02 T
- No PPE (personal protective equipment): not suitable for personal safety!

General	
Part No.	00 50 10 T BK
EAN	4003773088004
Weight	179 g
Dimensions	900 x 95 x 27 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

Technical changes and errors excepted
